

# DTM-3 Adjustable Desktop Mount

*FOR TAURI Series Tablets*

The DTM-3 is an adjustable desktop mount for the TAURI Temperature-Check Series Tablets. It can tilt up or down, making alignment with a person easy. Improper installation may cause property damage or personal injury. If you do not understand these directions, or have doubts about the safety of the installation, contact Aurora Multimedia Customer Service or call a qualified contractor. Aurora Multimedia is not liable for damage or injury caused by incorrect mounting, assembly, or use.

The DTM-3 is suggested as the desktop mount for the TTS-10. The TTS-15 will also fit, if you need the lowest profile mount.

The DTM-3 model comes assembled. Once you receive it, simply mount your TAURI to the VESA mount using the included screws.
